## Streamlining of Church Communications through WhatsApp Broadcast

We are in the process of streamlining our church communication channels to avoid duplicate messages sent across various Whatsapp chat groups. This is also to address the feedback that some members are not able to access our media platforms such as Telegram.

We will need you to do the following so you will receive updated information regarding the church such as the registration link for worship services, prayer meetings, the church bulletin and other church news updates:

1. Add the number **9243 5631** to your phones or scan the QR code to include YCCA in your contact list.

2. Click the link: <https://forms.gle/hy8YurKc9akLHxUQ6> to give consent to YCCA to contact or communicate with you through messages and telephone calls; as per the Personal Data Protection Act (PDPA) guidelines.

Please pass this message to other YCCA members and regular worshippers.

We hope to be able to officially use Whatsapp broadcast the latest by 1st February 2022. Please help us speed up the process by making sure that you follow the steps mentioned. Thank you!

# ...Let us pray

As we rejoice in the gift of this new day,  
so may the light of your presence, O God, set our hearts on fire  
with love for you; now and for ever.

## YCCA

- We bring to God all those who suffer in body, mind, spirit or with grief. We ask that in God's great loving kindness they might know God's sustaining presence amidst their pain.
- We pray for those who are stretched beyond their own capacity to cope and remain hopeful – that God would bring a sense of coherence, comfort and strength.
- We pray for those who are feeling isolated and lonely because they have been separated from their loved ones because of being infected by the Covid virus. May they feel the loving presence of God. May we, as a church family, reach out to those especially within our church community to offer support through prayers, words of encouragement and practical support.

# YCCA's Vision in 2022

To grow in Christlikeness towards spiritual maturity by:

- + **Embracing personal brokenness and an openness to God for spiritual change**

Personal brokenness facilitates God's work in our lives. It brings us to the end of ourselves and to God who is our all sufficiency.

- + **Creating a space for God's truth to be understood and applied in community**

We are called not to just lay out spiritual truths but to a personal understanding and appropriation of spiritual truths applied in our community life.

- + **Investing time and effort in deep formational relationships with one another**

For our church to grow stronger, we need to re-envision and grow smaller connect groups that can provide mutual care, support and encouragement to one another.

- + **Living out the gospel of God's grace through acts of service and compassion.**

The world needs to see Jesus in us. We, as the Church must go and meet the lost at their point of need.
